This exam is for the benefit of those who have a commendable work history in code enforcement. It is not necessary to take the modules and the exam. The exam allows one to test out of the modules and become certified within CACEO.

Prerequisites to qualify for the Certification Exam are as follows:

Completion of PC832 – This can be acquired before or after exam
(Please fax or mail in a copy of this certificate.)

Provide documentation of previous experience by submitting a resume with detailed code enforcement work history:

To bypass the Basic module – minimum of two years of requisite experience.

To bypass the Intermediate module – three to five years of experience.
